

CIRCULAR 102

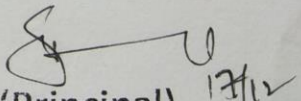

Dear Teacher,

The School as per normal schedule closes for the winter break from 1st Jan to 20th Jan every year but this year as per the state policy, the details of which will be shared substantially, it has been most likely decided that there will be no winter vacation in schools all across.

The School Management, is therefore, approaching the staff so that they should be mentally prepared and should avoid making any plans which may lead to cancellations leading to financial loss.

The exact policy guidelines will be shared as and when received.
